

HarnessWeb participant process for lodging transactions from July 1, 2025

HRV advises that from July 1, 2025, the following transaction functions must be completed online through [HarnessWeb](#):

- Foal Notifications
- Namings
- Transfers of Ownership
- Licence applications including renewals
- Leases
- Deregistration/Death of horses
- Split Prizemoney Payments

The functionality through [HarnessWeb](#) has been introduced by state controlling bodies to streamline these processes, significantly reducing paperwork and manual processing.

Licensed persons or owners who do not have a HarnessWeb account can easily apply. Account approvals are generally done by the next working business day. To apply:

- Click on the link: [HarnessWeb Logon Screen](#)
- Click on the link: [Don't have an account?](#)
- And follow the screen prompts

HRV recognises that not all participants will have the available technology to use the online HarnessWeb processes and assistance will continue to be provided in those extenuating circumstances.
