

Changes to Herald Sun form guide allocation

The Herald Sun has resolved to provide more racing information and form to readers on Tuesday to Sunday given punter demand at that time.

As a result, the Monday race form allocation has been moved to later in the week to provide enhanced form for readers.

Harness Racing Victoria is committed to providing maximum information to punters every day and detailed form and fields for all Victorian meetings can be accessed by visiting www.thetrots.com.au and clicking the button marked Today's Fields and Form.

HRV will also continue to provide detailed form analysis via www.thetrots.com.au and goodform.trot.com.au every day.
