

## HRV commences search for new GM of Racing

Harness Racing Victoria (HRV) will advertise for new General Manager of Racing following the resignation of Glen Canty for personal reasons.

HRV CEO David Martin said that HRV has granted Mr Canty's request that he finish at HRV on Tuesday July 10.

"Glen joined us in July last year and has made a significant impact across the organisation," Mr Martin said.

"His guidance, counsel and approach to such an integral position will be missed. We understand Glen's reasons and wish him well in the future."

HRV will begin an extensive search for a new GM of Racing in coming days.
