

HERITAGE FAMILY

The ROTHACKER Family

The **Rothacker Family** is one that can claim an Inter Dominion Championship winning trainer/driver (Eric) and a record fourteen Metropolitan Driving Premierships, all captured by **Gordon Rothacker**, the inaugural Hall of Famer that was elevated to Legend status and one whose name was seconded for the State's premier honour, the **Gordon Rothacker Medal** and also to the main grandstand at Melton Entertainment Centre. **Gordon** also represented Australia in the 1971 World Drivers Championship held in North America.

The early Melbourne Metropolitan Driving and Training credits were accumulated by brothers **Bill** and **Vic Rothacker**, both of whom were the recipients of TCB Distinguished Service Medals. The two mares that set them on their way were the trotter *Susie Royal* and the pacer *Park Pool*. **Bill** and **Vic Rothacker** had another brother **Charles**, as well as a sister **Reta**, all four claiming **Albert** and **Elizabeth Rothacker** as parents.

Bill Rothacker was the father of the legendary **Gordon** as well as **Albert**, while **Vic Rothacker**, was the father of **Eric** (trainer/driver of 1956 Inter Dominion champion *Gentleman John*), **Des** and **Stuart Rothacker** who had a son with the same name, with racebooks distinguishing between then as **Stuart V. Rothacker** (father) and **Stuart D. Rothacker** (son). **Eric** represented Australia in the World Amateur Driving Championship.

A sibling of the brothers was **Reta Elizabeth** who in 1935 married Hugh Garnet Redwood, called “the father of the famous Redwood” two-year-old trotters classic. Hugh and **Reta’s** sons **Colin** and **Noel** both trained and drove Melbourne metropolitan winners with **Colin Redwood** representing Australia in the World Amateur Driving Championship, a recipient of a Distinguished Service Medal and President of the V.S.T.A.

Another **Rothacker** who was the ancestress into a family of horsemen was **Aileen “Nancy” Rothacker**, daughter of **Charles Rothacker**, a brother to **Bill**, **Reta** and **Vic**. **Nancy** married Keith Mervyn Joseph Rawiller in 1946 and their son **Keith** proved himself in the galloping world, especially over the jumps and attained some Group One glory in harness racing with the S.A. and N.S.W. Trotters Derby winner *El Cordobies*. **Keith’s** two sons **Nash** (3,000+ winners - 25 G1s) and **Brad** (67 Group Ones) have excelled solely in the thoroughbred world.

With respect to Metropolitan Premierships, **Gordon** has sole ownership with a record 14 Driving Premierships and also a one-time record number of Trainers Premierships - ten - a number that was equalled by Emma Stewart in 2024 and is almost certainly to be exceeded by her in 2025. The only other **Rothacker** that has figured in the Top Five has been **Eric** who was fifth on the Drivers Premiership table in 1952/53.

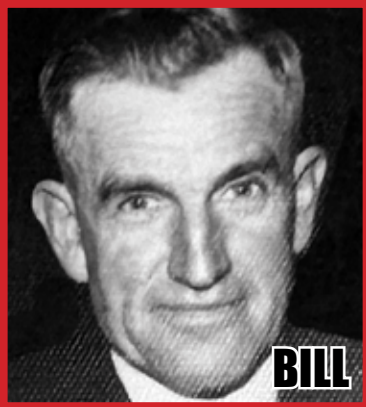

Gordon’s wife **Jean** was an indispensable part of Gordon’s success and figured prominently as both the breeder and owner of so many of Gordon’s greatest winners such as Hall of Famer *Angelique*, *Gallagher* and *Rhett*. Their daughter Judy also figures and an owner of metropolitan winners, been a HRV Board Member and has also been the lead HRV person in respect of Hall of Fame in recent times..

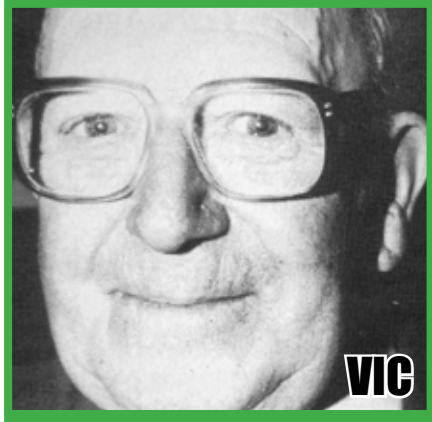

On the following pages is a list, in chronological order, of every winner the **Rothacker** name or a direct descendant of a **Rothacker** has been associated with as a driver and trainer up to and including August 31, 2025. The totals are impressive. (see below)
