

HERITAGE FAMILY

The CLARKE Family

It was a significant moment in the history of the Gordon Rothacker Medal, in 2008 when husband and wife team Elizabeth and Bruce Clarke became the first joint winners.

Bruce is best remembered for his partnership with Victorian HOF Legend and dual Inter Dominion winner Gammalite while Elizabeth, could very well be the most awarded female in Harness Racing.

In 2021 she received a Queen's Birthday honour. Ms Clarke was a HRV Board Member (7 years) as well as winning the Pearl Kelly, VHRC Achiever of the Year and 2002 HRV Club Secretary of the Year awards.

She has also been acknowledged with a Commonwealth Government Sporting Achievement honour for service to harness racing in 2002, received the Distinguished Service Award by HRA in 2018, and HRV re-named the annual Mares' Triple Crown series in her honour in 2020.

The Clarke harness racing dynasty commenced with Noorat farmer John Thomas Clarke who akin to many at the time kept a racing or trotting horse as a hobby.

The first recorded instance of him competing was at the inaugural meeting of the Camperdown Trotting Club in 1913 riding Annie Cleve.

The Western District actually led the way so far as patronage of the trotting horse back then with clubs also being established at Penshurst (1912), Condah (1914), Cobden (1916) and Colac (1921).

It was at Cobden on 31-03-1917 that John enjoyed his one and only victory in a registered event, featuring as the owner of Irish Emblem.

There would no mention of the family until 1932 when John's 11-year-old son Bernard Henry ("Bernie") rode his own pony into third place in two Noorat Sports pony trots, one for under 12s and one for under 15s. Two years later he scored at double there with the same horse.

With the scarcity of racing dates, the advent of WW2 it would not be until 1st March 1947 before Bernie drove in a registered race. His first win was with Bay Velvet at Hamilton on 31st January 1949

Bernie's brother Alec preferred the training and administrative side of the sport but made his mark by recording his first victory at the opening meeting of the modern day Terang Trotting Club with Red Taffeta.

Alec's sons Bruce and Neville were also drawn to harness racing with Neville's maiden win being behind Adios Edna (also his first metro winner) at Terang on 31st October 1963 at Terang. Bruce's first win being behind Peter Pinapetee on 16th January 1967 at Terang.

It was a case of "sliding doors" when George Harpley was seeking a driver for Welcome Advice. He was looking for Neville but he was away and Bernie stepped in and the pair won 20 Melbourne Races.

Neville did get to partner a champion later in Gammalite, winning a SA Cup and NSW Lord Mayors Cup with him. Neville won two Drivers and four Trainers premierships at Terang. Brother Bruce won the Terang Tr/Dr premiership and their father Alec, was no.1 trainer at Terang in 1975/76.

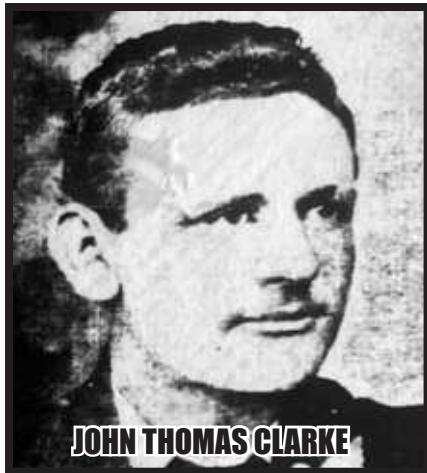

Bernie's son Kerry showed exceptional talent teaming with Waitaki Direct in FFAs and winning the NSW Ladyship Mile with Diamond Debutante.

Bruce's sons Matt (5 wins) and Damian also drove in the country while daughter Marie married Nathan Cahir (metro wins as trainer and driver).

In 2003, Neville who had lost his wife Patsy to cancer three years earlier tragically succumbed to inoperable throat cancer, aged just 58 years.

Neville is survived by 3 children (two daughters). His son John won with his first drive Kip Keter in 2000. Later John married Jessie Shinn who had been successful with Ground Floor at Moonee Valley also in 2000.

NEVILLE CLARKE - GREENWALD - VICTORIAN MILE RECORD

The most remarkable time trial in history - Greenwald TT1:59.5 at Terang (21-04-1971)

The night was miserable with drizzling rain falling from mid afternoon. Trainer Jack McGrath had brought the horse 120 miles from far Western Victoria for the attempt.

Greenie had run a "trial" at the previous Terang meeting, clocking an unofficial 1:59 4/5. McGrath decided to give the horse a run because he had come so far. Neville Clarke and others who knew Terang tried to talk Jack out of making the record attempt. But Jack was adamant, "We said we'd try for a record. We must give it a try."

Neville took the track before the first event wearing the white, green shamrock colours of the late Paddy McEntee, one of the district's greatest horsemen.

No pacemaker was used. A car was driven round on the inside training track sounding its horn every 15 seconds to give Neville a guide to time. To everyone's amazement Greenwald "headed" the car at the half way mark. He was literally flying in the cold, slushy conditions.

Coming into the home straight it appeared he would go close to the two minutes. With Neville flashing the whip, Greenwald barrelled across the line to stop the clock at 1:59½.

It was the fastest flying mile recorded in Victoria since the mare Tara Meadow (George Gath) clocked 1:59.6 at Bray Raceway, Ballarat in 1969.

GREENWALD 218 starts 56 wins, 36 seconds, 17 thirds

Won races on 20 different tracks - Melbourne Showgrounds (4), Wayville, Adelaide (3), Harold Park, Sydney (2). Also Mount Gambier (14), Hamilton (7), Stawell (4), Tweed Heads (NSW) (4), Naracoorte (SA) (3), Ararat (3), Shepparton (2), Maryborough (1), Ouyen (1), Gold Coast (Qld) (1), Menangle Park (NSW) (1), Cessnock (NSW) (1), Mildura (1), Charlton (1), Bendigo (1), Terang (1), Ballarat (1)
