

HERITAGE FAMILY

The SIMONS Family

Just how significant is the name Alf to the Simons family?

The answer is very and here is why. Prior to World War One the horse was king. For transport, for work, for companionship and for entertainment.

Every farmer had multiple types and Charlie was no different and the attraction of annual sports days in the surrounding districts such as Redbank and Rheola was magnetic.

In 1912 Charlie entered a chestnut gelding named Alf in a Maiden Trot and was successful. Five years later he named one of his sons simply Alfred.

Alfred was to later name his only son Ron Alfred and in 1970, Alf Simons won his hometown Inter Dominion at the Royal Melbourne Showgrounds and was later inducted into the Hall of Fame.

The Alf name was to live on and on and on as Alf's granddaughter Lisa Lewis named her son Alfie.

The thrill of racing horses was not limited in the family to Charlie Simons as his brother William ("Bill") also competed before being called up to serve his country in World War One.

On his return Bill regularly drove and won with some of the horses from Charlie's ever expanding and successful stable.

Charlie was not afraid to travel winning at Rheola, Wedderburn, Wycheproof, Charlton, Inglewood, Maryborough, Korong Vale, Dunolly, Bealiba, Ararat, St Arnaud, Fentons Creek, Donald (inaugural meet), Navarre, Newstead, Horsham, Minyip, Echuca, Marong, Woosang, Elmore, Warracknabeal, Bendigo and Ascot.

His best horses were Direct B, Hermorer, Decorum Girl, Bernie Almont, Daphne Bells, Gladys Bronte, Bluein and Royal King. Bluein was Charlie's first metropolitan winner as an owner - the horse was leased by Ron Males at the time of its win - and Royal King the first metropolitan win as a trainer on 22nd July 1940 when driven by son Alf.

The meetings competed at were quite varied, a mixture of trotting meetings, trotting races on galloping programs, sports meetings (e.g. at Rheola), country shows and young Alf became involved at the age of just twelve and scored a double in the Boys Trots one day.

1912 REDBANK SPORTS

The Redbank annual sports were held on Boxing Day, in fine weather. The attendance was good, visitors being present from all neighbouring towns. The various events were well contested and some close finishes resulted.

The first victory in a race at a registered meeting for Alf was at Ararat in 1934 on Boxing Day, in the sulky behind smart pacer Cooraminta. The winning margin was 60 yards.

At all of the Rheola Sports meetings Alf would have found himself competing against or in the company of members of the Bellenger family. Wee Billy and Decorous were the headline horses for the Bellengers, however, the standout performer was Dorothy Bellenger who at age eighteen won her first race at Rheola in 1938 with her own horse Lady Florence and that same year married Alf Simons.

Their first child Ron Alfred was born in 1939 and Alf drove his first metropolitan winner in Royal King at Ascot in 1940.

As is well known metropolitan harness racing was shut down in 1942 before re-emerging under lights in 1947 and Alf enjoyed plenty of success with the mares Nancy Dalla and Dainty Flossie when it did.

Dorrie was an exceptional horsewomen but like all other women was not allowed to drive but she won an exhibition in 1958 under lights and later trained Special Dollar, winner of G1 Victoria Trotters Derby.

Then in the late fifties came the champion trotter Don't Enquire who gave young Ron his first two metro wins doing it in style from handicaps of 96 yards and a record equalling 108 yards behind.

In 1962/63 Ron drove four winners and Alf five so the likelihood of Ron taking over as the main driver for the stable appeared imminent, however, he was tragically drowned on the first day of the duck shooting season that took place during the 1964 Melbourne Inter Dominion.

Ron's sister Betty was fortunate to be old enough to get a licence once the bans on women were lifted in 1977 and specialising in trotters she won six in town and carved her own part of history by being the first female driver to compete in an Inter Dominion Trotters Championship.

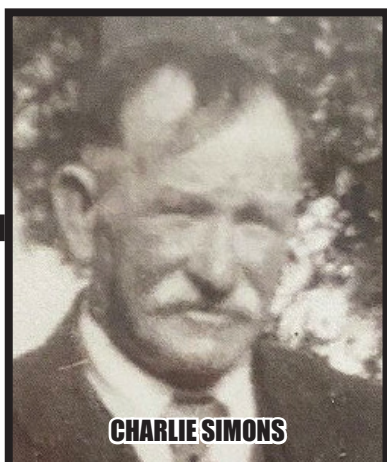

Betty's son Dean was successful in the city as was his wife Donna but his prowess as a farrier earned him great respect within the industry.

Betty's daughter Lisa, whose first metro winner was actually at Gloucester Park, has been highly successful and in 2024 surpassed grandfather Alf in terms of Melbourne metropolitan training successes.

Alf Simons Honor Day at Cranbourne

Night trotting started in November 1947 and for the next 30 years no female was licensed to compete in any city or country event against men.

However, in the meantime on 22nd March 1958 a Ladies Exhibition was programmed with no betting.

The exhibition was won by Dorrie Simons on Bold Joe, defeating Pearl Kelly (Malverns Hope), Mrs K Harper (Our Pam), Mrs V Parker (Pinup Girl) and Margaret Scull (Whispering Sands).

It would not be until 9th January 1980 before a female, Gaita Mifsud, was successful in a betting race against the men at the Showgrounds.

TROTTING DRIVER IS DROWNING VICTIM

A WELL-KNOWN trotting driver and trainer was one of two men drowned in a duck shooting accident on Eppalock dam, on the Campaspe River at Axedale, near Bendigo, on Saturday.

He was Ronald Alfred Simons, 24, of Ballarat Rd., Rockbank.

The other man drowned was William Robert Bellenger, 43, grazier, of Arnold West, near Inglewood, his second cousin.

The men drowned when a 16ft. dinghy overturned 300 yards from the dam bank.

Bellenger's son, William Allan Bellenger, 22, who was also in the boat, was rescued by other shooters as he was trying to swim ashore.

Police were told the dinghy capsized when two of the men stood in the stern after a duck had been shot.

Simons ran a farm at Rockbank with his father, well-known trotting trainer Alf Simon.

His wife is expecting their first child in two months.
